Cat

My

Cat

I wonder what he did~
Good~
Really good~
Hey!
I brought food!
I made them carefully this time, so come down!
I dont want any, so feel free to eat mine!
I picked some really good cherries!
I saw them on TV!
The taste of natural fruit!
鬼斬

Cherries..
There are cherries on the plate even in the food _!
T_Thanks a lot

鬼斬
That day, suddenly, I was the only person not to see him as a cat
Only y... as...
Cat?
ニャー?
I can't explain it
Right now, he's in my room
Ugh
I want to eat Lelouch's meals.
Why is it that Lelouch only appears as himself to me?
me,
Ah, They're connected.
Like Lelouch and

That's right
the
important thing
For example
These 2 are
connected
at the
branches
Ever since the first
time I met Lelouch.
Like this, it's obvious
that it's fine to stay
together like this
Embarrassed
What a childish guy.
I used to think that we
were like that, once too.

We
needed
a
reason
to.

I'd be happy if you at least were able to eat some.

He's really that satisfied?
Me and Lelouch just...
Just say it if you want any
Oh, by the way, do my spare clothes fit you?
Ah, The length isn't that different and the size isn't too much of a problem

Wa...
Want my...belt?
...Ye-
Yeah...
I WANT TO DIE.

Oh shit.
No, if I die right here that would be too petty of me.
What am I saying, this is
humiliating.
Even though I'm preaparing for a
WAR.
Lelouch's legs are really pale
Why.
What did I do to make this happen again?
Even though I left Lelouch out of it
Wait, why did Lelouch even do that last time?
Something else
like this happened before
Again.
んでなの
...Suzaku.
Don't come over here!
Uwah!
Not good
on't think about it!
on't remember
あああああ

Yeah...
that's how it is.
This is normal.
Nothing will change today.
I'm such a failure...
Furthermore, it's just
mpossible for me.
Rejected.
Sorry.
Going to the toilet

Even though Lelouch is here,
I feel really disgustingly sad...
He's right next to me...
All I think about is you.
This morning, my taste for food seems to have gone away.
Ah, a bit my stomach...
...
You're not eating.
A negative Lelouch.
W-Wait a second! Could you hold on a little bit?!
Airing it out
I used the toilet, don't go in!!
Toilet.

Yeah...
It's been a while
for me, too...
I folded up your
uniform for you
But, really...
this is...
Only about..twice since I was born...
But most of the time
Lelouch was here
to take care of me
You have a
fever.
This is sort of
relaxing in a way.
This is my first time ever
seeing
you sleeping so soundly

If you sleep for a while it'll calm down
Maybe because
I'm a cat.
Ha, Fufu
Really?
It's bad but, Lelouch,
...isn't it contagious?
It isn't.
Nn...
it's no good.
My voice feels awful...too.
But what worries me is that he hasn't eaten.
Maybe I should order out.
But I can't recieve it or go outside to get it myself
Suzaku also can't speak and looks pretty awful
So I can't feed him anything, and I can't call
anyone to come
...There's really nothing I can do

Wa-
-ah
So
cute,

My cat
Ahh
I hope you're not pushing yourself too hard. Just text me if need anything!
にこっ
Ara Lulu-chan! Are you well?
I brought you things you might need but,
are you ok?

Even though President can't see me, if you look at this situation...
Am I a pervert...?!
Ah,
She only sees me a mere cat...
What a shitty nickname...
Nn
I'm still wearing it!
If you are, well,
that's super-duper great!
--but you know
But, Suzaku is the one having fun with this,
he's the real
pervert.
Want to stay at my place for a while?
Lulu-chan?

I can take care of him at my house.
I think it'd be a good idea it must be hard to care for a cat when you're sick
...Uhh!
...No,
I'm doing fine here,
Sure you are
It'll be a bit lonely, but you can handle it
...Uhh!

I feel like
I'm about to cry.

Well then, call me if you need any help, ok?
Am I special?
I want to be together.

Suzaku,
I want to be together
Suzaku
Suzaku
I want to be together

We both needed a reason.

I want to protect you

In a world, where I can save you.

It's precious, so precious.

I need you.

Is the
war ever going to end?
So, please
Don't make that face.
It's not.

Stay here,

Lelouch
